

Are You Neglecting This Vital Component of Deliverance?

We have all experienced fear and torment. When you have been repeatedly attacked by these emotions or demonic spirits, they can cause emotional trauma in your life. Emotional trauma isn't a demon that needs to be cast out, but it is a place where we need to receive healing.

Inner healing and deliverance go hand-in-hand. You can't have one without the other. In this episode, learn how to receive emotional healing from the torment you have experienced. You are more than a conqueror in Christ Jesus, and when you understand the emotional trauma you have suffered is similar to emotional abuse, you can be set free.

Your freedom will manifest with the proper care, healing and nurturing through good teaching, wise counselors and the presence of the Lord. Don't wait for your freedom. Receive this empowering teaching, and allow the Holy Spirit to lead and guide you to and through the healing you need.
