

Artist Behind Taylor Swift's Latest Album Cover Gives Glory to God

Valheria Rocha's journey to designing the album cover for Taylor Swift's forthcoming record might be, to the outsider, a little surprising. Originally from the country of Colombia, the 24-year-old photographer and graphic designer has lived in Atlanta for most of her life.

While it may seem opportunities have just fallen into her lap, that's far from the truth.

All of it, Rocha said in an Instagram Story posted Thursday, is the result of what happens when you "really surrender" to God.
