

Author Jonathan Cahn of 'The Harbinger II: The Return' Achieves a Stunning Grand Slam in Christian Book Publishing

Jonathan Cahn's latest bestseller, *The Harbinger II: The Return*, is enjoying remarkable success among American consumers and book professionals in January 2021, four months after its original release—but not only that, three previous books of Cahn's now have joined *The Harbinger II: The Return* as high-performing titles on the latest Evangelical Christian Publishers Association Bestsellers list.

Cahn's newest book, *The Harbinger II: The Return*, released Sept. 1, 2020, today occupies the No. 1 spot on the ECPA fiction bestsellers list. That alone represents a noteworthy achievement, something few authors ever realize. In addition, three other Cahn narratives occupy No. 2, No. 7 and No. 12 spots on that same ECPA bestsellers list—a memorable grand slam for the author by any measure of professional publishing success.

At the No. 2 spot on the ECPA list is Cahn's *The Harbinger*, published in 2012. At the No. 7 spot is Cahn's *The Book of Mysteries*, published in 2018. And at the No. 12 spot is *The Oracle*, published in 2019. All four books are published by Frontline, an imprint of Charisma House. The new book, *The Harbinger II: The Return*, is a sequel to the original *The Harbinger* and asks the compelling question: Is America heading to judgment in a time of enormous "shakings"? What lies ahead for our troubled country? *The Harbinger II* provides prophetic, biblical answers.

Marcos Perez, publisher and executive vice president of Charisma House, had noted previously of the runaway success of *The Harbinger II: The Return*, "It is a blessing to celebrate monumental achievements with Jonathan Cahn, one of the top authors in America and around the world."

And Stan Jantz, president and CEO of the ECPA, had pointed out earlier that "the topic and timeliness of [Cahn's new] book are certainly contributing factors to its success. The book asks, 'Are the unprecedented crises of our times the signs and warnings of coming judgment?'"

An excerpt straight from *The Harbinger II* reveals its faith-based force for today's readers. The "nation" that "stands in danger of judgment" is the one whose people "turned against the ways of God," Cahn writes in his ominous narrative. "God called them, sent prophets and messengers to warn and plead with them to come back. But they wouldn't return; they wouldn't listen. They hardened their hearts to the point where the only way to reach them was through a shaking."

He also writes, "Seven years after 9/11 came the shaking of the American and world economy. But there isn't to be only one shaking. There will come others, other calamities, greater than the first." Now that the "shakings" have been occurring right in front of our eyes, the question many Americans have in mind is this: "How much time is left for us?"

With the release of *The Harbinger II: The Return*, on Sept. 1, 2020, thousands of new fans all around the world have embraced Jonathan Cahn's messages and prophecies. His new book, available for purchase online and everywhere, made the Amazon Bestsellers Top 10 lists of all books in the world and took No. 3 of the top 10 spots on Amazon's Christian Books for print, Kindle and audio—each charting as a Top 10 Bestseller, including No. 1 Christian Prophecy and No. 1 Christian Prophecies. *The Harbinger II* also catapulted Cahn's earlier books back onto bestseller lists, including *The Oracle*, *The*

Paradigm, and *The Harbinger*.
