

Award-Winning Physician: The Dark Truth About Big Pharma

Dr. Felice Gersh joins Dr. Mark Sherwood in this episode *Healthcare's Missing Link* on the Charisma Podcast Network to reveal how she was “bought” by Big Pharma to advance their profit-generating machine.

Now that she's found her way out, she is passionate about letting people know what is really going on behind the scenes of big medicine.

In this episode, you'll discover:

- Big Pharma does not have your best interest at heart
 - How doctors are held hostage by corporations
 - Why healthcare is more focused on profit than your health.
- {eo}

About Our Guest: Dr. Felice Gersh

Felice Gersh, M.D. is a multi-award winning physician with dual board certifications in OB-GYN and Integrative Medicine. She is the founder and director of the Integrative Medical Group of Irvine, a practice that provides comprehensive healthcare for women by combining the best evidence-based therapies from conventional, naturopathic and holistic medicine. She taught obstetrics and gynecology at Keck USC School of Medicine for 12 years as an assistant clinical professor and received the outstanding volunteer clinical faculty award. She is also a prolific writer and lecturer and has been featured in several films and documentary series, including *The Real Skinny on Fat* with Naomi Whittel and *Fasting*.
