

Benny Hinn Shares Prophetic Word With Steffany Gretzinger That Makes Her Weep

At the Jesus '18 conference in Orlando, Bethel worship leader Steffany Gretzinger told a panel of Christian leaders she had been having a visceral emotional reaction to the entire conference but didn't know why. Evangelist Benny Hinn then gave her a prophetic word that moved her to weeping. He said, "Very few of us are chosen to comfort the Master. You're one of them." Hinn then elaborates what this strange word means, based on the Bible. Watch the video to see the full panel from the final day of Jesus '18, but to view the section with Gretzinger and Hinn, skip to around 1:25:00.
