

Best-Selling Author Jonathan Cahn Makes Stunning Parallels to Hillary and Bill Clinton in 'The Paradigm'

Hillary Clinton is making news again, with recent headlines surrounding matters from campaign funds and dossiers to uranium and Russia.

The Clinton camp is likely not surprised by the latest round of coverage, as the Clintons seem to be headline magnets, but *New York Times* best-selling author Jonathan Cahn makes stunning parallels to the Clintons and an ancient paradigm from 3,000 years ago in his new book.

In *The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times* ()—out for just over a month but debuting in the top five of the *New York Times* and *Wall Street Journal* book charts—Cahn makes shocking connections between all the major players in American politics, including Hillary Clinton, Bill Clinton, Osama Bin Laden and Donald Trump, to historical figures from centuries ago.

The Paradigm not only reveals the mystery behind Clinton's fall and Trump's rise, but how ancient writings parallel many occurrences of today.

"Could a recently uncovered blueprint, almost 3,000 years old, reveal the rise and fall of Hillary Clinton?" Cahn says. "Could it actually pinpoint the years in which it would take place? The stunning answer found in *The Paradigm* is 'yes!' Hillary Clinton's presence has dominated the political realm for the last quarter-century, and yet her defeat in 2016 surprised virtually every observer. But could her rise and her defeat all have been contained and foretold in an ancient

Middle-Eastern template? And could this template even have pinpointed the exact year she would be defeated? This is one of the many revelations to be unveiled in *The Paradigm*. The book is already stunning and amazing some, and angering others with its discoveries."

The Paradigm, which topped all the major best-seller lists, reveals a newly uncovered master blueprint and ancient template that foretells many events of modern history. *The Paradigm* also removes the veil behind the leaders, governments, events and scandals of modern times. Its disclosures are so detailed and its revelations so precise that it even speaks of events before they happen.

Cahn, who caused a stir throughout America and the globe with the release of his instant *New York Times* best-seller *The Harbinger*, which sold over 2 million copies, followed that earth-shattering work with *The Mystery of the Shemitah* and *The Book of Mysteries*, also *New York Times* best-sellers. In fact, the mysteries of the immensely popular *The Harbinger* continue and are intertwined with the mysteries of *The Paradigm*.

The Paradigm is published by Frontline, an imprint of Charisma House.
