

Best-Selling Author Jonathan Cahn's New Book 'The Paradigm' Promises to Shake Washington

The highly anticipated book from New York Times best-selling author Jonathan Cahn promises not only to shake Washington, D.C., with its revelations, but all of America.

Set to be released on Sept. 19, Cahn's *The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times* () will undoubtedly rock America's political establishment. With revelations so explosive, the book may change the way millions see what's happening across the nation.

The Paradigm will remove the veil behind the leaders, the governments, the events, even the scandals of modern times. Its disclosures are so detailed and its revelations so precise that it even speaks of events before they happen. The book will undoubtedly anger some, but will amaze and stun many others with its discoveries.

The Paradigm is of such an explosive nature," Cahn writes in the yet-to-be-released preface, "its revelations so specific and so connected to specific figures and events of our times and to such highly charged subjects and concerning the powers that be, that its intent can easily be misperceived. It is not directed against anyone but as much as it touches on any figures in the modern world it is part of letting the chips fall where they may—according to the unfolding of the mystery.

"*The Paradigm* is, above all, the revealing of a mystery, a blueprint, an ancient paradigm, that uncannily and amazingly has everything to do with our times," Cahn says.

The book also reveals a warning to a nation and a civilization concerning its present course and the ultimate end of that course. And although *The Paradigm* deals with the political realm and many other realms, it is not political but spiritual and prophetic.

“The mystery will hold unique dynamics and amazing properties,” Cahn continues. “One could seek to explain away a few facts, but what we are about to open up will not be a matter of a few facts, or even several facts. It will be overwhelming in its scope, in its breadth, in its consistency, and in the magnitude of its details. It is something no human being could have orchestrated or woven together.”

Those who pre-order at one of several retailers before the Sept. 19 release date will receive a package worth more than \$70 that includes Cahn’s best-selling book *The Harbinger* in audiobook and e-book format; Cahn’s best-selling *The Book of Mysteries* e-book; and *The Paradigm* e-book (sent via email on the release date). of prophetic import. He leads Hope of the World and the Jerusalem Center/Beth Israel, just outside New York City in Wayne, N.J.
