

# **‘Beyond Grateful’: Jeremy Camp’s Wife Provides Update After Singer’s Heart Surgery**

Singer Jeremy Camp’s surgery Mar. 11, to treat atrial fibrillation was a success, with his wife, Adrienne, posting a message to her husband’s Instagram letting fans know he’s resting.

“He’s resting and has to lay completely flat for a while,” she wrote. “He’s enjoying being spoon-fed by me. Lol!”

Adrienne said Camp’s surgery was “a success” but it will be a few months before he is fully healed. She also expressed gratitude for those who have been praying for Camp and the family.
