

Big Ol' Sweet Iced Tea

Anita Renfroe

Word Entertainment

Wife, mother, author and Christian comedian Anita Renfroe offers more of her Southern wit and charm in her live DVD, Big Ol' Sweet Iced Tea. Be ready to crack up at Renfroe's hilarious insights on such things as GPS for babies, Miss America tricks and hissy fits.

The Atlanta native could possibly be the only person to ever sing a tribute to the "house wine of the South" (sweet tea). She also adds a couple of new songs to her parody repertoire (check out her version of Beyonce's "Single Ladies").

Renfroe's clean comedy is genuinely funny, as she jokes about things everyone thinks but won't say out loud.
