

Bill Maher Calls God 'Psychotic Mass Murderer' When Discussing 'Noah'

Comedian Bill Maher told his HBO *Real Time* audience recently that God was a "psychotic mass murderer."

He made the comments during a conversation on the biblical story of Noah and the upcoming Hollywood version of it that's about to hit the big screen.

"But the thing that's really disturbing about Noah isn't the silly, it's that it's immoral. It's about a psychotic mass murderer who gets away with it, and his name is God," Maher said.
