After a stunning success in theaters nationwide for two nights only on May 12 and May 19, 2022, *The Harbingers of Things to Come* from *New York Times* bestselling author Jonathan Cahn—author of *The Harbinger*, *The Harbinger II—The Return*, *The Oracle*, *The Book of Mysteries* and other critically acclaimed books—topped the charts as one of the top five films viewed across the nation and the third highest per screen average. The first showing alone saw the film rank No. 2 at the box office as the second-highest grossing film nationally. In total, the explosive motion picture saw almost 100,000 people in just two nights and grossed more than \$1 million.

After such a triumph in the box office, *The Harbingers of Things to Come* is now available for hosting at churches, communities, groups and organizations nationwide, through ticketed streaming events from May 13–June 13, 2022, at The Faith Content Network. This riveting feature film based on Cahn's bestselling and brilliant successes with *The Harbinger* series reveals the ancient mysteries that lie behind what is happening in America and the world today—and in the future.

"We are witnessing America rapidly accelerating away from God," Cahn says. "The messages of *The Harbingers* are prophetic

revelations and warnings for God's people to know what's happening, where we are going and where we are."

"These are prophetic images that revealed what was going to happen to America before it happened—events that were linked to the biblical template of national judgment and that are still affecting us to this day," he adds.

"With the release of *The Harbingers of Things to Come*, and with America in such a critical hour, I decided it was time to release these images—to reveal them in a way they had never been revealed before," Cahn says. "So, for the first time ever, people will be seeing the images for themselves across America."

The movie addresses riveting themes such as whether COVID-19, 9/11, the financial collapse and other shakings all be part of an ancient mystery. Are the shakings that have come upon the world a sign or a warning of things to come? Is that ancient mystery determining the events of our time, and does it reveal the secrets of the future?

From the shores of New England to the steps of the Supreme Court; to a boat on the Hudson River; to the pedestal of the Statue of Liberty, Cahn explores the ancient mystery behind the event shaking America and the world. One thing is certain: Audiences will never see the world the same way again.

With the release of *The Harbinger II: The Return* in September 2020, multitudes of new fans have embraced Cahn's compelling messages and prophecies, in addition to the millions who are already heeding the warnings and prophecies outlined in his previous books over the past decade.

The author has made multiple media appearances, including on CBN's *700 Club*, TBN's *Praise* and *Family Talk* with Dr. James Dobson.
