

Brian ‘Head’ Welch Evangelizes Through Northern Ireland in ‘Finger of God 2’ Clip

In this clip from the upcoming film *Finger of God 2*, Korn guitarist Brian “Head” Welch travels with the WP crew to Northern Ireland to team up with evangelist Scott McNamara as they head into a religious powder keg in Belfast.

The goal was to go with Scott back into the bar where he used to snort lines of cocaine before he knew Christ, and introduce the people there to Jesus. What happens next needs to be seen to be believed.
