

Can Children Receive Deliverance From Demonic Spirits?

As their spiritual guardians, it is our job as parents to nurture spiritual maturity for our children. We are called to teach them and raise them in the Lord as end-times warriors.

As we draw closer to the Second Coming of Christ, we are responsible for helping them sharpen their supernatural weapons and learn how to war in the Spirit to bring heaven down for themselves. We must disciple, guard and support their efforts in order to maintain their deliverance and cover them in the blood of Jesus. The Lord is counting on us to steward all He has given us well. Be assured, the gates of hell shall not prevail.

In this episode of *Flawed and Free* on the Charisma Podcast Network, two of my children explain their journeys and the benefits of deliverance from demonic spirits in their lives.

“Out of the mouth of children and infants You have perfected praise” (Matt. 21:16b) comes to mind as I hear the praise and prophecy these children share with the world about such a life-changing event in their lives.
