

Candace Cameron Bure: 'I Live by Faith in Everything That I Do'

Fuller House star Candace Cameron Bure recently opened up to Fox about how her faith impacts her everyday life.

"I live by faith in everything that I do," Bure told Fox. "It is genuinely how I am."

Bure is anything but a closet Christian in Hollywood. The child star-turned-Hallmark actress never shies away from talking about Jesus.

"The Bible, to me, is truth," Bure affirmed. "So, I can always go back to God and find the hope, the encouragement, the positivity, the trust that I know I have in Jesus and so it never fails even when life doesn't go the way I planned."

Bure added, "My faith is really the foundation of who I am."

The mother of three has made similar comments in the past. {eo}
