

Charisma Courses Emotional Healing & Deliverance

✖ Emotional healing is one of the many layers of restoration. It takes time and happens in stages, but God takes us on a lifelong journey of wholeness. *Emotional Healing & Deliverance* makes the perfect tool for equipping believers for this journey. Understanding self-care, setting boundaries, healing wounds and breaking generational patterns are all part of the healing and deliverance process.

How do we overcome shock and trauma, abuse and unhealthy attachments? Ruth Hendrickson teaches practical, spiritual truths with the power of prayer to train learners to walk in healing and to be used powerfully by God to witness healing and deliverance in others. Find it at
