Can You Defend Your faith?

How many of the following questions can you confidently answer?

- Where in the Bible does Jesus say: "I am God, worship me?"
- Why did someone else have to die on a cross for your sins? (Why can't God just forgive you?)
- If Jesus was God, why did He pray to Himself?
- How could Moses die in the Pentateuch if he wrote it?

These are just a few of the questions Muslims ask when

dialoguing with Christians about their faith. But unfortunately, most believers are woefully unprepared to defend their beliefs. To discover key points when addressing your faith with a devout Muslim, subscribe at ***charismadigital.com*** and read our web-exclusive article, “When Muslims Attack ... the Faith.”
