

# Chorus of the Saints

✘ *By Revive, Reunion Records.*

Revive have been together for more than four years and released three albums in their native Australia. In 2007 Third Day heard them perform and the music veterans became mentors to this young band. Last year Dave Hanbury (lead vocals), Tyler Hall (guitar), Mike Tenkate (drums) and Rich Thompson (bass) brought their music and ministry stateside. Musically, Revive fit in the pop-rock genre, but their lyrics also put them in the worship category. The title song and opener remind listeners of God's faithfulness. "The Truth Is" turns down the volume a bit but not the energy, as the group declares that "there is none like You." "You Know" is a standout with Third Day's Mac Powell joining in. Worship ballad "Power" sings of the awe we'll feel in heaven as we can only cry, "Power, glory, honor to you our King." At times it seems as if they are trying too hard (pushing vocals), but their talent and passion mixed with experience will have them ministering in music for years to come.
