

Chris Pratt's Eternal Words of Wisdom to Hollywood's Next Generation

Read Time: 2 minutes 12 seconds

American actor Chris Pratt isn't shy about his faith in Jesus Christ. In front of a crowd at the MTV awards he had an opportunity to pour wisdom into the next generation. He took those moments to share the sanctity of faith, the blood of Jesus and living a life with purpose.

"I was given three minutes to impart wisdom to the next generation. Given the chance to do it again I wouldn't change a thing," he wrote in the Instagram post.
