“York County, SC. (Near Charlotte) Coming Soon! Very soon. How this came together was/is a miracle,” the post read. “‘Do not despise the day of small beginnings...’ It’s been said ‘every move of God starts in a manger and dies in a cathedral.’”

The church is set to be called “Jesus Revolution Church.”

And the vision for this church/movement is the most special part. God is looking for those most serious in this hour! More to come soon! There’s always a couple haters but so many have been so kind. Your contributions are most appreciated! .

Reed also posted the image of the inside of the church on Facebook with the caption, “Much more to come soon...”

For drone with Iran from Russia for neighborhood warfare. War will extend into Lebanon and attacks on West Bank and Golan Heights and even Syria. Iran gets hit big. North, east and south. Islamic terrorism will spread into Europe. In the U.K., in Sweden and Germany...

During this critical time, pray for Reed and his family as they launch this new venture, and pray for Israel as war continues to ring all around them.
