

Christ for All Nations Makes Massive Impact at Once-in-a-Generation Event

On Saturday, May 14, Christ for All Nations Lead Evangelist and President Daniel Kolenda preached to a crowd of thousands at The Send, Kansas City, Missouri. The day-long event brought tens of thousands of primarily young people together at Arrowhead Stadium.

Kolenda is one of the collaborators of The Send, and as he took to the stage, he opened strong, explaining to the massive audience, "I'm here today to tell you that there is still power in the blood of Jesus Christ! There is power to save, deliver, to heal, to set free, to break every chain." His passionate talk focused on the all-encompassing power of the blood of Jesus, living a life 100% committed to Christ and using the time given to each of us to make a difference for eternity. It was a timely and inspiring word.

These words set the stage for a day focused on the timeless truth of God's love perfectly expressed through the life, death and resurrection of His Son, Jesus Christ. This was no entertainment-oriented conference—it was a day set aside to rekindle a passion for Jesus and renew a hunger to see the Great Commission fulfilled in our lifetime.

Kolenda's participation in the multiministry event comes on the heels of CfaN's announcement that it has led more than 1 million people to Jesus so far in 2022, bringing the organization's lifelong grand total to 83,328,798 documented decisions for Christ in its nearly 50-year history.

In addition to Evangelist Kolenda's efforts on stage, CfaN staff and Evangelism Bootcamp graduates ministered to a multitude of attendees at the CfaN booth. They agreed in

prayer for healing, deliverance and answers to numerous tough situations. As always, the Holy Spirit met people exactly where they were—many received prophetic words, and some even fell out in the Spirit right there in front of the booth! This dynamic environment led those who received prayer to get their friends and return to the booth with them so they also could receive prayer. Likewise, many were deeply moved, even to the point of tears, by the clips of CfaN crusades playing on both screens and virtual reality headsets. As a result, interest in the CfaN Evangelism Bootcamp was piqued, and the team anticipates a strong influx of The Send-related applications for the upcoming term.
