

Christian Ministry Launches Media Network Based in Israel's Biblical Heartland

When the world applauded the “deal of the century,” we brought you the truth. When the American administration imposed a secret building freeze on Israel's heartland, we exposed the story. When Israel signed the Abraham Accords with the UAE and Bahrain, we revealed the danger for Israel.

This is the *Joshua and Caleb Network*.

With programs hosted by Christians and for Christians, the *Joshua and Caleb Network* is based in Israel's biblical heartland, falsely known as the West Bank.

Our mission is to bring a voice of radical truth to the world straight from Israel's front lines. Our shows include *The Joshua and Caleb Report* (Israel news through a biblical lens), (biblical teachings), short films (Israel inspiration) and much more.

Tune into this episode of *The Joshua & Caleb Report* on the Charisma Podcast Network.

Our shows will be broadcast on YouTube, major podcast platforms and social media.
