

Christians Call for Immediate Arrest of Federal Judge Who Jailed Kim Davis

Christians from across the nation will converge on the neighborhood of Federal Court Judge David Bunning today. Judge Bunning has illegally and with malice charged Mrs. Kim Davis with contempt of his court order forcing her to legitimize illegal marriage certificates to individuals of the same sex in Rowan County.

We are calling for the sheriff of Rowan County to immediately arrest Judge David Bunning upon his entering the courthouse on Thursday, Sept. 10, for illegally incarcerating Davis and impeding her from performing her duties as county clerk. Judge Bunning is in contempt of the Court of Almighty God and the constitutions of both Kentucky and the United States.

Kim Davis has broken no law. There is no law passed by Congress and signed by the President of the United States that would force her to issue marriage licenses to individuals of the same sex.

She is not in violation of God's Law: "Therefore a man will leave his father and his mother and be joined to his wife, and they will become one flesh" (Gen. 2:24).

She is not in violation of the United States Constitution: "Congress shall make no law respecting the establishment of religion, or prohibiting the free exercise thereof"

She is not in violation of the Constitution of the Commonwealth of Kentucky section 233a: "Only a marriage between one man and one woman shall be valid or recognized as a marriage in Kentucky. A legal status identical or substantially similar to that of marriage for unmarried

individuals shall not be valid or recognized.”

She has not violated any U.S. or Kentucky law! There is no Kentucky or U.S. law that makes same-sex marriages legal or instructs clerks to issue licenses for them. The Supreme Court cannot make law; only the legislative branch of our government (Congress) can make laws and Congress has made no such law.

Judge David Bunning is in contempt of God’s Law and the laws contained in both constitutions of the U.S. and the Commonwealth of Kentucky.
