

Chuck Pierce Prophecies: Get Ready, We Are Going to Our Next Level of Anointing

We are heading into a year that is so, so important for us to understand. I remember when we used to only pray. Now we also decree and declare, and when we decree a thing, we see it begin to happen.

I believe our authority is increasing. It is a picture of this whole historical era we are in right now. We shifted in September 2019, at Rosh Hashanah. Of course, all of you remember March 2020, when God pulled us all aside and said, "I need a divine pause to get My people moving in a new way." And I believe we are now moving into this—in this new way. I thank God for ministries such as yours that keep us doing just that.

But I believe this year ahead is going to be our supernatural year. When I look at Scripture regarding the year ahead, we all need to know that we are coming into a *supernatural confrontation*. We don't need to think humanistically, and humanistic religion can wear you down. We need to know that we are coming into a time when it is not just about Right versus Left, male versus female, culture versus race, but Kingdom versus kingdom. We are moving into a supernatural dimension.

We have to ask Holy Spirit for a new level of the baptism of His Spirit, so we can see beyond and maneuver with His angelic help as we go into this spiritual war ahead. This whole era of ten years is about war, and you'll remember I've written several books regarding what God showed me in 1986 of where we would be in 2026.

I consider this year a key transitional year for us in the spirit realm, and that is very important. With that, I see that when it comes to Kingdom versus kingdom, it also becomes

Government versus government. We will see the ruling demons behind those governments, or the ruling force of the Spirit of God behind government. That summarizes what we're talking about. The Government of God has matured (the Ekklesia), and I believe we now have the backing of angelic hosts.

Dutch, when we were speaking together last time, I saw how God was circling this nation with those angelic hosts. It's a year of divine recovery. When you look at it in Hebrew, it is a *rising up together*. We are coming into a new unity in the Body of Christ. We are understanding each other's gifts, rising up together. We must understand how to open up and recover the fortunes that have been taken from us and open up new supply lines.

Understanding Our Authority

In the last season, we thought we could do unity. Well, that's not unity. I think you and I are a great example of unity. I submit to your apostolic gift as well as your teaching gift. We are all learning to submit to the gifts, learning to submit to the highest anointing in the room or in the meeting, or in a strategic gathering where we are dialoguing over how to advance. Submission means we are standing under. I stand under your gift when I'm there with you. But we are also resisting. Resisting means we are standing *against*. If we didn't have an alignment of our giftings, I personally could not resist the enemy at the level that I do. But because of submitting to God's order of giftings, we gain great resistance, and then the devil has to flee.

I believe it's been one of the problems we have not understood, and the Lord says this: "No greater faith have I seen in all of Israel than those who understand authority" (see Matthew 8:10). The centurion soldier understood authority. But faith works by love, and I believe as we start to walk in unity, we will love and honor each other's gifts in a way we haven't done before. True unity will give us a power

we didn't have before. We must have it in this supernatural season that we are in.

David honored those who helped him get to the place where he was. When he did that, and he gave to all of those people, the next level of anointing came. Then seven years later, the next level came.

Get Ready for Next-Level Anointing, Dissections and Reversals

We are in the process. People. get ready; we are about to get our next level of anointing, and it's going to bring us into a supernatural realm where we can take territory – where we can increase and move forward.

One day, I'd love for us to talk about the spiritual warfare that's going to happen at a new level this year. When I say that, I'm referring to the *victory end* of how we are going to walk in spiritual warfare and overcome the things we have dealt with.

"Father, I thank You for everyone who is hearing these words and giving a portion of their best to You, Lord, on this Give Him 15. They are giving a portion of their lives. I decree, right now, that as they listen today, they will have a new supernatural opening of their gifts within them. I decree a new alignment of the gifts within them. I decree that we will see what we have prophesied in the past manifest, and we will begin to see it moving into place and materializing before our very eyes. I say, faith will become sight this year. In Jesus' name, amen.
