

Chuck Pierce Releases Shocking Prophetic Word

Pastor Ramiro Pena says prophet Chuck Pierce released a shocking prophetic word recently.

“We were at the White House and Chuck prophesied that, and this was about a month ago, that we were going to have 10 months of struggle and difficulty and even war, struggle, in the White House, or at the White House, followed by three years of great success and progress.”

Pena says the struggle shouldn't surprise believers, as Peter warned about troubles in 1 Peter 4.

But after the struggle comes the success.

Pena tells Jim Bakker this is called a “breaker anointing.”
