

Chuck Pierce's Prophetic Dream Warning for the United States

In a recent meeting of the Apostolic Council of Prophetic Elders, prophetic voice Chuck Pierce warned Christians of the turmoil that could be coming to us in the next three months in light of the attempted presidential assassination of Donald Trump.

"I believe what we all witnessed was a miracle that occurred," Pierce said of Trump's survival from the recent assassination attempt on his life.

Pierce described a dream he had back in March 2020 which became very significant during the time of his writing of "The Passover Prophecies."

"In the dream, I was attempting to park a barge in one of the major port cities. I had parked one barge. But in the attempt to park this barge, it was impossible to park it because the only way it could be parked was to use reverse imaging. In other words, to look at something and reverse the way to maneuver in," Pierce says.

Pierce says the spot that this barge had to be parked was between one from Russia and one from China. He believes this refers to the political atmosphere and the difficulties that lie ahead during this current time.

"I believe these next three months that began on July the 14 through the next three months will be our most intense time we have ever known to get shifted how America needs to be shifted for its future. I believe the assassination attempt was a divine intervention..." Pierce says.

Pierce says the verse that has been placed on his heart at this time is Isaiah 30:21 which says, "Your ears shall hear a word behind you, saying, 'This is the way, walk in it,' whenever you turn to the right hand and when you turn to the left."

"I believe the Lord penetrated through the atmosphere and touched [Trump's] ear in a supernatural way that will cause him to be able to hear when God is speaking," Pierce says.

Pierce believes that his dream from 2020 is a sign that both China and Russia will attempt to interfere with the upcoming election.

Recently, Pierce described the difficulties he believed that the coming months would have not only for America as a whole, but for us as individual people.

"This month, there will be a war over the desire of your heart. Therefore, we have to understand that if we focus on our harvest ahead and see the path through that harvest field, we will be able to experience the desires of our heart," Pierce says.

Right now, as we are in unprecedented times, we need to press in and pray for God's divine protection and wisdom upon our lives, nation and leaders.
