

Church of Satan Insists New Age Is Rooted in Luciferianism

Former New Age blogger Steven Bancarz's mission to expose the vile nature of the religion led him to a startling conclusion: Satanism built the New Age movement and religion.

"I'm not saying everyone involved in the New Age movement is satanic," Bancarz says in a recent video. "And I'm not saying every single topic or every single pursuit within the New Age movement is satanic, but ..."

Watch the video to see his explanations.
