

Cindy Jacobs: Let's Change the Course of Terrorism in Our Nation

Last Thursday, a gunman fired dozens of rounds into two military centers in Chattanooga, killing five Marines and wounding three others. The shooter, 24-year-old Mohammad Youssuf Abdulazeed, also died in the attack.

Those who knew him say that he was a personable, educated young man and a devout Muslim. No one seems to know when he was radicalized, but friends do say he "seemed different" when he returned from a recent trip to the Middle East. The FBI is still looking into his background, but his trip to the Middle East to visit relatives in Jordan may have been more than it appeared.

Many cases have one common thread—visits to the Middle East, then returning to the United States and planning or committing acts of terror. Military personnel have been warned by intelligence agencies that they may be specific targets of terrorism.

This is the most recent in a number of murders on American soil by Muslim extremists. Other plots, such as those we prayed to be exposed over the Fourth of July weekend, were uncovered before harm could be done. Thank You, God!

I wrote in the 2015 ACPE Word of the Lord that the prophets have said, "This is the year when God will give His people the chance to recalibrate in the midst of what will seem to be a whirlwind year. To recalibrate means to correct in mid-course, modify, amend, change, metamorphose, renovate, transform or turn."

Let's change the course of terrorism in our nation and unravel some things together in prayer for the following:

- Pray that the families of those who lost their lives to this act of terrorism would know that God loves them and cares about them.
- Pray for the police and FBI agents investigating this crime to uncover every bit of evidence and to be able to fully understand what happened, so that further terrorism activities can be stopped. Decree Ephesians 5:13, "But all things are exposed when they are revealed by the light, for everything that becomes visible is light." (I like to say, "Darkness, get into the light!")
- Ask God to expose every Muslim in the United States who has travelled to the Middle East to be radicalized for jihad. Pray that God would give the FBI the wisdom to be able to find them. "Can a man hide himself in secret places so that I do not see him? says the Lord. Do I not fill heaven and earth? says the Lord" (Jer. 23:24).
- Pray that those lost in Islam would know Jesus as their Lord and Savior before the enemy's lies destroy any more of them by turning them into weapons of terror. Remember John 3:16-17.

Cindy Jacobs is a respected prophetess who travels the world ministering not only to crowds of people but to heads of nations. Her first calling is and always will be prophetic intercession. Each year, she travels and has spoken on nearly every inhabited continent to tens of thousands. Yet in her heart is the memory that Jesus left the 99 to go to the one. Generals International is an international church movement, reforming the nations of the world back to a biblical worldview. It achieves societal transformation through intercession and the prophetic. Jacobs has authored seven books and loves to travel and speak, but one of her favorite pastimes is spending time with her husband, Mike, and their

children, Daniel and Mary Madison, along with her five grandchildren.
