

# Cindy Jacobs Prophecies: 'God Will Give You the Spirit of a Soldier'

I was just asking God to give a word of encouragement to you. There are so many discouraging things right now.

We need a word of hope. We need a word of encouragement. What I saw is that some of you are being assaulted by Satan, not just being attacked.

With attacks, you could look and say, "Okay, it's a little bit here." But with an assault, it would be in wave, after wave, after wave.

And the Lord just shows me that some of you, you feel beaten down. In other words, you feel like it's just too much, like you can't take any more bad news. You can't take one more thing happening. One more wave of COVID or one more wave of something against your family.

So, I'm going to pray for you right now and I thank God that He is going to teach your fingers to fight. God is going to give you the spirit of a soldier. God is going to give you that knowing that if you rise up in your spiritual authority, the enemy has to flee. The Bible says, "Resist the devil and he will flee from you." Not that he might flee from you but he WILL flee from you.

"So, Father, I pray for courage to rise up. And Father, I pray and I bind the spirit of assault. That sounds crazy, but that's just what I'm getting that is coming against you. We bind the spirit of harassment, just causing one wave of problems after the other.

"And Lord, we break that! Lord, we ask the angel armies, the

God of the angel armies, right now, to begin to fight in the heavens on your behalf. Lord, I thank you that this is happening as I speak. Listen, engage in faith! When I'm telling you that, just engage in faith. Don't let Satan just come until he's stomping on you.

Rise up! Tell your soul to rise up! Stir yourself, right now in the spirit. And the Lord sayeth, 'The enemies you see today, you will not see tomorrow.'" {eoa}
