

Cindy Jacobs Shares Prophetic Word: Satan Is Going to Try to Turn a Regional War Into a World War

Satan is ready to ignite these regional wars into the next world war, Cindy Jacobs shares with Jim Bakker.

“It’s very interesting,” Jacobs says on *The Jim Bakker Show*. “Probably six, seven years ago now, one of our prophets on our apostolic council of prophetic elders, Rick Ridings of Jerusalem, came to us, and God had given him a prophecy that Satan was going to try to turn a regional war into a world war, the World War 3.”

Jacobs continued: “And at any moment, this tinder box, you know we have a World War 3 in a way with ISIS, but at any moment, it could turn into World War 3 or the end of time.”

So is this the apocalypse?
