

Colossal Hit 'The Oracle' by Jonathan Cahn Still Opening Readers' Eyes in 2020 to God's Mysteries

In 2019, *New York Times'* bestselling author Jonathan Cahn released his biggest hit yet, *The Oracle: The Jubilean Mysteries Unveiled*, with his other smash hit books topping many bestseller lists, as devoted readers continue to clamor for his work.

The Oracle could not be more timely for 2020, as the book helps readers know what the future holds and what the past is hiding, as well as opens their eyes to groundbreaking mysteries that will impact not only how they understand the past, but also how they can be ready for the future.

In *The Oracle*, Cahn, also the author of the *New York Times'* bestsellers *The Harbinger*, *The Mystery of the Shemitah*, *The Book of Mysteries* and *The Paradigm*, opens up the Jubilean prophecies and a mystery so big that it has determined everything from the rise and fall of world empires to two world wars, the current events of our day, the future, end-times prophecy and much more.

Ultimately, *The Oracle* will reveal the secret that lies behind end-times prophecy and the mystery of the end of the age.

As with *The Harbinger* and *The Book of Mysteries*, Cahn reveals the mysteries through a narrative; a traveler is given seven keys, each for the opening of one of seven doors. Behind each door lies one of the seven streams of the Jubilean mysteries. Readers are taken on a journey through each door and vision to uncover the ancient secrets that lie behind the world-changing events of modern times.

And as with Cahn's other works, readers will find that the mysteries revealed within the pages of *The Oracle* are absolutely real, amazing, life-changing and mind-blowing, as they build upon Cahn's vast knowledge of prophecy. {eoa}
