

Come Out of Hiding and Into the Fullness of Your God-Given Authority

We already declared the war on your voice is over, and now it's time to step out of hiding—unashamed of your royal identity! You are His glorious inheritance! He created you for dominion. Step out and walk in what already belongs to you. Get off the sidelines, stop hanging out in the middle and take your rightful place!

Let this put a fire in you! You were created to shift atmospheres. God didn't create you to sit idly by and watch as things happen on the earth. He created us, the *ekklesia*, as the governing body of the earth.

Every follower of Jesus is a governmental official. To be governmental is the authority to govern, to rule, to shape, to create and to restrict. This is the function of the sons and daughters of God on the earth! This is the power we have to bind up and loose.

Our founders created a nation where we could live in the fullness of God's Word. To not understand the significance of this, is to not understand the divine purpose God has for our nation to help fulfill the great commission.

Our First Amendment was not written so the church wouldn't influence the government. The First Amendment was written so the government wouldn't influence the church.

When looking at this separation of church and state theory through a biblical lens, it lacks understanding of full status as God's sons and daughters.

Sons and daughters know transformational power is inside of

them!

When you are transformed by His power, your encounter becomes a gateway for transformation for every person and every sphere around you.

In every place of influence, if a Christian does not take the seat of authority, someone else will.

Come out of hiding! Come into the fullness of your authority! The time is now.
