

Comedian John Crist Reappears With Apology, Admission of Responsibility for Past Actions

John Crist is back.

Back on social media, that is. After an eight-month silence as he worked on what he calls “personal issues” surrounding the areas of his alleged sexual harassment and other improper treatment of women, a story Charisma News broke in November 2019, the popular Christian comedian has reappeared.

When the allegations surfaced, Crist issued a brief apology and cancelled his upcoming tour. Netflix then pulled a planned special with the Christian comedian, and Christian publisher Waterbrook put his book contract on hold.

Crist posted a video on Instagram in which he shares his heartfelt thanks to those who have stood by him during this season of change and challenge.
