

COVID-19: Has Trump Led Us Responsibly or Recklessly?

“He has blood on his hands!” is the accusation repeated regularly by media critics and manipulative Congressmen and women who want to oust President Trump in November. Nine senators have called for a Senate investigation.

Scripture warns us to be on guard for those using “smooth talk and flattery to deceive the hearts of the unsuspecting” (Rom. 16:18).

Watch this brief video by cultural commentator Larry Tomczak laying out a timetable that tells the truth!
