

Crushing the Spirits of Greed and Poverty

Crushing the Spirits of Greed and Poverty

Sandie Freed

Chosen Books

Ever sense that something is keeping you from experiencing financial freedom and living in divine wealth? In *Crushing the Spirits of Greed and Poverty*,

Sandie Freed reveals that there are evil spirits that keep believers

from the “generous God” they serve. She arms believers to fight these

strongholds with the Bible. Her book isn’t a how-to manual on making

money, investing or budgeting. Instead, it’s designed to “empower

readers to seek God’s wisdom and favor,” which Freed says can lead to

financial and spiritual freedom.
