

Cruz Campaign Releases Indiana Election Day Hype Video

Over the lunch hour Tuesday, U.S. Sen. Ted Cruz (R-Texas) released a “hype video” for the Indiana Primary.

In the one-minute-48-second-web video, titled “#ChooseCruz in Indiana!” the senator’s campaign laces in images from on the campaign trail throughout the Hoosier State with a speech made by Indiana Gov. Mike Pence on Monday. In it, the governor says:

Is it a great time to be a Hoosier or what? It is a time for choosing and all of America is looking to the people of Indiana to make a choice. I’ve made my choice and I choose to support Senator Ted Cruz as the Republican nominee for president of the United States of America.

Polls close in Indiana at 6 p.m. local time. The Hoosier state is in both the Eastern and Central time zones.
