

Curses Broken, Miracles Manifested at Kolenda's Ghana Crusade

Friday night the crowd nearly doubled from Thursday. It's awesome to see these dynamics. I preached about the power of the blood of Jesus and many thousands responded. Afterward, as usual, we broke the curses, burned witchcraft juju and prayed for the sick—what a package!

- A man whose arm was paralyzed for six years could suddenly move it perfectly and totally pain-free.
- Another man who was carried to the meeting tonight, unable to walk, was lying on the ground when we prayed for the sick. He was totally healed, rose up and walked!
- I had a word of knowledge about a man with a swelling on the left side of his neck and sure enough, a man came forward who had a large boil on his neck. During the prayer, it vanished.
- A woman who had a painful breast tumor was totally healed—the lump disappeared and all the pain left.

These are just a small sampling of the many miracles that Jesus did tonight. To God be the glory for the things He has done.

Thank you for continuing to pray for us and for the precious people of Accra.
