

Daniel Kolenda, CfaN Strive to Reach 100K With the Gospel by Easter 2022

Christians all over the world recognize the Resurrection of Jesus Christ as the single most important event in human history. With Easter on the horizon, Christ for all Nations President and lead evangelist Daniel Kolenda released a new booklet of this miraculous event, titled "He Is Risen!"

He is now encouraging believers to give away copies of this booklet to family, friends and acquaintances with the hopes that more than 100,000 people will be reached with the life-changing Good News—the news that not only did Christ die to forgive their sins, but He also lives to empower their everyday lives with the same Spirit that raised Him from the dead. "He Is Risen!" provides Christians with an easy-to-read, powerful tool that answers three crucial questions: Did the Resurrection really happen? Why does the Resurrection even matter? And why does the Resurrection matter to *you*?

While the gospel tract may seem like an outdated method of evangelism, CfaN has seen powerful salvation results with its use. Kolenda recognized that people are hungrier than ever for clearly stated truth. The concise and articulate nature of a booklet makes it an ideal form to reach those who do not yet know Jesus as Savior, Lord and friend. As he noted in a recent letter to CfaN supporters, "The biblical truths that the Lord helped me write concerning the resurrection of Jesus are remarkably practical, amazingly applicable and marvelously transformational." And CfaN is putting its money where its mouth is.

Individuals, small groups and churches can buy bundles of "He Is Risen!" for the incredibly low price of 50 cents per

booklet. This remarkable discount makes it possible to give out 10 copies for a mere \$5—a minute investment for an eternal return. Kolenda also points out, “Not every Christian is called to be an evangelist, but every believer is commanded to evangelize. ... Tracts are a great tool to spread the gospel.” For those unfamiliar or uncomfortable with the thought of placing a gospel tract in someone’s hand, Kolenda’s team created a pamphlet called “You Can Do It!” that shares useful ideas and best practices for reaching out to others with the Good News.

CfaN has done everything in its power to make the challenge of reaching 100,000 people with the gospel by Easter 2022 a readily attainable goal. To learn more about “He Is Risen!” and to join in the challenge, visit {eoa}
