

‘Dark Forces’ and Jezebel’s Spirit Make Their Way Onto the Political Scene

Even though she spoke for just under nine minutes in last week’s Democratic debate, presidential hopeful Marianne Williamson was declared the “winner” by 47% of viewers via a Drudge poll.

Why? Her words were powerful, says author and national radio host Dr. Michael Brown, especially those referring to a “dark psychic force of the collectivized hatred that this president is bringing up in this country.”

“She was closer to the truth than she realized,” Brown says. “Her talk of this ‘dark psychic force of collectivized hatred’ is right on track, only not in the way she imagines. More accurately, she should have spoken of a ‘dark spiritual force,’ one that I and others have referred to as Jezebel.’ It is a spiritual force that is also working powerfully through the Democratic party.”

Brown writes in his new book, *Jezebel’s War with America: The Plot to Destroy Our Country and What We Can Do to Turn the Tide*, that the evil spirit of the biblical figure Jezebel who lived 3,000 years ago is alive and well today.

Released yesterday, *Jezebel’s War with America* focuses on the fact that the spirit of the biblical figure Jezebel is at work through a fascination with witchcraft and sorcery, radical feminism coupled with the extreme pro-abortion movement, along with other spiritual and cultural forces in an attempt to destroy America. Brown’s eye-opening book not only unveils a satanic plot, beginning with an all-out assault on the church, but it will equip every believer with tools to defeat the enemy in their own personal lives as well as in the nation.

"While there is certainly a rising tide of 'collectivized hatred' that the president has helped stoke, there is an ominous rise in this 'collectivized hatred' from the left as well," Brown says. "Ask yourself an honest question: Have you seen any hatred greater than the hatred expressed at the Women's Marches? Have you seen any hatred greater than the hatred expressed at the pro-abortion protests at the Kavanaugh hearings?"

"That is the spirit of Jezebel, a wicked queen who died almost 3,000 years ago, the matriarch of radical feminism," Brown continues. "She—meaning a coalition of demonic forces—is behind this ominous, rising, dark, spiritual tide. According to the Bible, Jezebel was also a seductress, and today, there is an epidemic of sexual seduction through porn and the internet. No generation before ours had to deal with websites devoted to helping you find your adulterous partner. No generation before ours had to deal with elementary school children getting exposed to pornography. This, too, is Jezebel at work. She is driving this dark spiritual movement."

Let's not forget, Brown adds, that this wicked queen was a murderer, slaughtering the prophets and killing any who stood in her way. And, as a devoted idol worshiper, Jezebel was doubtless familiar with the horrific practice of sacrificing babies to these pagan deities.

"This murderous spirit lives on today in the 'Shout Your Abortion' movement, in the passing of laws that legalize abortion right up to the moment of delivery, in the defense of infanticide," Brown says. "In Jezebel's day, living, breathing babies were offered up on the altar of idolatry. Today, these precious lives are offered up on the altar of convenience and career. It is not hard to connect the dots. The same demonic forces that operated through Queen Jezebel 3,000 years ago are operating again today. The stage is being set. The conflict is upon us. Jezebel is being exposed."

Brown also points out that in the Bible, Jezebel is associated with sorcery and witchcraft.

“Is it any coincidence that, today, with the rise of radical feminism, we also see the rise of witchcraft, with some of these witches trying to put hexes on the ‘patriarchy’?” Brown asks. “Is this not the spirit of Jezebel at work again? And it just a coincidence that, as of this writing, 6 out of the 10 most-read books on Amazon are Harry Potter titles? As ‘innocent’ as these books may be, they are still books glorifying sorcery and wizardry, with children as their target audience. And back to politics, soon after the debate, Breitbart reported that “‘Witches’ for Marianne Williamson Launch ‘Occult Task Force.’” Need I say more?”
