

David Jeremiah: Is This the End?

Internationally-respected Bible Teacher, pastor, TV and radio host and nine-time *New York Times* bestselling author, Dr. David Jeremiah releases his newest book, *Is This The End? Signs of God's Providence in a Disturbing New World* with the W Publishing Group, an imprint of Thomas Nelson.

"Never have the headlines been this jarring, the cultural changes this rapid or the moral decay this pronounced," says author Dr. David Jeremiah. "It's easy to look at today's headlines, both in America and around the world, and get discouraged. The questions I hear all the time are 'Will the world ever be the same again?' and 'Where is God in all of this?' From ISIS, to the reemergence of Russia, to the current political climate in the U.S. and an overall rise in intolerance and apathy, there is so much people are justifiably concerned about. I knew the time was now to write this book and deal with these critical issues head on so people can see God's hand in the midst of all the chaos."

The book is split into two sections: "Is This the End of America?" and "Is This the End of the World?" Dr. Jeremiah also addresses rising concerns about anti-Christian sentiment, citing five signs of an increase in Christian persecution: (1) stereotyping (2) marginalizing (3) threatening (4) intimidating (5) litigating.

The book includes detailed chapters on:

- Terrorism
- ISIS and Radicalized Islam
- The New Russia
- The Bleeding of America's Borders
- The "Anything Goes" Society

- Polarization and Divisiveness
- The Coming of Christ
- and much more

“It all goes back to Scripture,” adds Dr. Jeremiah. “That’s where Christians need to look first when they’re searching for answers to today’s most extraordinary challenges. When you think of ISIS or the resurgence of Russia there are clues in Scripture about what God thinks about these issues. There is incredible hope in the providence of God, in remembering that His plan is much bigger than terrorism, politics and yes, America too.”

On the heels of nine consecutive *New York Times* best-sellers, presales of *Is This The End? Signs of God’s Providence in a Disturbing New World* have far outperformed all of Dr. David Jeremiah’s previous titles.

“So far the response from our audience has been extraordinary, far surpassing any book I’ve written,” adds Jeremiah. “It has only deepened my conviction that people are desperately looking for answers as to how to navigate the world we’re living in. This book is for everyone asking hard questions, and in every opportunity it points the reader right back to Christ.”
