

Deliverance From Darkness

James W. Goll | Chosen

Author

and prophetic leader James Goll brings his wisdom and insight to the challenging subject of demonic deliverance. In this guide, Goll covers topics such as overcoming demonic power, battling temptation, breaking curses, staying refreshed in the battle and more. Goll offers a take-action approach and walks readers through the process of finding freedom not only for themselves, but also for others. A companion study guide makes this book appropriate for individual or group learning.
