

Demonic Storybook Bible Deceiving Parents and Children Alike

We truly live in an upside-down world when a Bible for kids is created by a transgender atheist to teach them incorrect theology using LEGOs.

Yet this is exactly what is happening, as author Brendan Powell Smith, a self-described “blue haired transgender lesbian atheist,” has presented this Bible to untold numbers of children.

As reported by The Blaze, “The ‘Bible’ is distributed at vacation Bible schools and sold to believers as containing Scripture—but the book itself was created by an atheist who uses the book to argue against the God of the Bible rather than guide children to Him.

“The problem is that it is actually explicit. It is extremely gory, it is not theologically accurate, and it seems that it is actually meant to shock and disturb,” says conservative commentator Allie Beth Stuckey.

The book disguised as a Bible has been around for over 23 years now, with few knowing the outrageous demonic agenda behind it.

“It depicts Bible stories in a way that is not only violent

but sexually graphic. It ridicules the nature and character of God by making Him only seem garish," Stuckey continues. "It's attempting to make a case against the God of the Bible."

A multitude of Christian leaders have been warning for years now that we are living in deceptive times, and that only a true foundation built on the Word of God will give us the discernment we need to navigate these dark days.

"It's just so insidious. It's so sneaky, it's so sly. It's so much like Satan to make a book like this that looks cheery and loving on the outside, that really on the inside is a poor depiction of what God is," Stuckey adds.

Perhaps people are just not aware of the warning Jesus Himself issued to the world when it comes to protecting innocent children from the world in Mark 9:42: "Whoever causes one of these little ones who believe in Me to sin, it would be better for him if a millstone were hung around his neck and he were thrown into the sea."

It is imperative that we teach future generations the truth found within the Bible and disciple them properly so that they can handle the world when they venture out into it.
