

# Derick and Jill Duggar Dillard Reveal Sex of First Baby

In August, Charisma News reported Jill Duggar, now officially known as Jill Dillard, is expecting her first baby. Dillard, of course, is best known for her role on the TLC reality TV show *19 Kids and Counting*.

Now, Dillard has revealed she's having a baby boy.

"I was really excited," Derick Dillard told *People* magazine. "As a new dad, to have a firstborn son to be our first child and be the leader of his siblings, it is very special."

Jill is 23, and her husband, Derick, is 25. They got married on June 21, *People* reports, sharing their first kiss in front of more than 1,000 family and friends.

"Oh yes, there was some screaming in the room," says, Jill. "I thought all along we were having a girl. Everyone made their guesses."

Also in August, Charisma News reported that Jill's sister, Jessa, is getting married. She is engaged to marry Ben Seewald. Seewald and Duggar have been courting for 11 months.
