

Did Brian Carn Really Prophecy Hillary Clinton Will Be the Next President?

Brian Carn claims he has some insight into who will be the next occupant of the Oval Office.

In his program *Prophetic Encounters With Brian Carn*, the controversial speaker shared about the upcoming election.

“This new presidential process will be one of a kind as man’s manipulation moves this mountain,” Carn says.

Did Carn actually prophecy about a Clinton presidency, as some are claiming?

Watch the video and then judge it for yourself according to 1 John 4 and 1 Corinthians 14.
