

Did Jesus Prophecy About Transhumanism and Cyborgs?

The “self-directed evolution” of transhumanism may have been prophesied in Matthew 24, *Revelation in the News* hosts Zach Drew, Sasha Volz and Andrew Bellers speculate.

“You might be thinking, *What in the world does transhumanism have to do with the Bible?*” Drew says. “What (do) super soldiers or animal-human hybrids have to do with the Word of God? And it’s interesting, and I’m going to make a case today it may just be fulfilling Jesus’ words He spoke about in Matthew 24 verse 37.”

Watch the video to see him break it down.
