

Did this Famous Christian Singer Just Abandon the Faith?

Jon Foreman is the lead singer of the Christian band Switchfoot but he is now public with his support of the LGBTQ agenda.

According to , Grace Semler Baldridge attended a Switchfoot concert recently and made a public demonstration in support of what she calls, "gay rights."

When Foreman heard about it, he posted a TikTok video where he sought to clarify his stance on the issue.

Foreman stated, "I support your rights and freedoms. I want you to feel loved and supported. We love and embrace ... We need our differences and it breaks my heart to think that you would not be accepted.

"You love different than me. You are my sister and my brother. I need you like you need me. Our music has always been for those who are brave enough to jump into the dialogue.

"You and your journey and story are welcome at a Switchfoot show."

Baldridge replied, saying, "She is interpreting his comments to mean he is 'affirming' of LGBTQ lifestyles."

Obviously Foreman did not renounce his belief in Christ or his Christianity. Yet the book of Jude warns believers, "... certain persons have crept in unnoticed, those who were long beforehand marked out for this condemnation, ungodly persons who turn the grace of our God into indecent behavior and deny our only Master and Lord Jesus Christ" (Jude 4).

So the question that needs answering is this: Did Jon Foreman just declare his departure from agreeing with the Bible's stance on sexuality?
