

Did We Miss This History-Changing Event?

As history groans and pivots, those with an eye toward prophecy may be missing the key.

It's not about any one sign, *TruNews'* Rick Wiles says.

"Don't focus on a singular major event," Wiles says. "Watch for a pattern; watch for the long-term trend."

Prophecy, in this case, is about connecting the dots. But it isn't to point, watch and live in fear as the world around us crumbles.

Rather, God has granted us an assignment. Watch the video to see what it is.
