

Discerning the Voice of God

Discerning the Voice of God

Priscilla Shirer

Moody

Many

Christians struggle with their ability to hear God speaking to them.

They have difficulty discerning if that inner voice belongs to them, the

enemy or the Father. Some even wonder if God still speaks today. In *How to Recognize When He Speaks*,

author Priscilla Shirer reassures us that the God who saved us longs to

talk to His people—now. The book is replete with stories of historical

Christians who conversed with God and developed intimate fellowship with

Him. Shirer believes that readers can learn to discern the Father's

voice with clarity and understanding.
