

Disturbing Prophetic Dream: 'I Saw Many Ministers and Prophets in Hell'

While I was recently studying Matthew 7:22-24 and asking God for increased revelation, I had one of the most disturbing prophetic dreams of my life. The Scripture I was studying in Matthew says, "Many will say to Me on that day, 'Lord, Lord, have we not prophesied in Your name, cast out demons in Your name, and done many wonderful works in Your name?' But then I will declare to them, 'I never knew you. Depart from Me, you who practice evil.'"

In the prophetic dream, I was taken to hell where I saw all these ministers and individuals who had performed miracles, cast out demons and prophesied. What I was shown next I will never forget. The Holy Spirit showed me long lines of people behind all of these ministers and individuals. He immediately revealed to me that these were all the people that had received the miracles, prophecies and had been at one time delivered. As I gazed at the people in these lines, He said to me, "Did they not *receive* miracles, prophecy and deliverance, yet I never knew them?"

I woke up from the dream alarmed and startled. I said to the Holy Spirit, "So there are not only people that will perform signs, wonders and miracles who will be sent to hell, but also people who received all these things who will also be in hell. Why?"

Immediately the Holy Spirit spoke again to me and said, "Because those who worked miracles, prophesied and cast out demons never preached the full gospel of Jesus Christ, which is the message of repentance. They were so in love with the gifts I had given them that people became trophies and

souvenirs to them. When My power would manifest in their ministries, they would tell people that I loved them, but never that they needed to repent for their sins. I tell you that a great deception will sweep over the signs and wonders movement in the earth. Beware of the ministries where miracles and prophecies will flow, but the message of repentance is a no-go. You have been warned."

Will you pray with me today that ministers and individuals who move in God's power will not only live a lifestyle of repentance but also preach it? What if people getting healed, delivered and prophesied to, and told God loves them isn't the full gospel message? What if repentance and holiness are the full gospel message too? {eoa}
