

Does a Master Blueprint Foretell the Events of Our Times?

Few would agree that news over the past days, weeks and even months is a result of a master plan, when events filled with violence seem to point to chaos.

But *New York Times* best-selling author Jonathan Cahn would disagree.

In his soon-to-be-released book, *The Paradigm: The Ancient Blueprint That Holds the Mystery of Our Times* (), Cahn opens up a master blueprint that reveals the events of our times even before they happen.

The Paradigm, set for release on Sept. 19, contains an explosive revelation touching everything from the Clinton years, Osama bin Laden, Barack Obama, 9/11, the Great Recession, the fall of Hillary Clinton and the rise of Donald Trump.

The Paradigm will reveal an ancient template that lies behind the events of our times," Cahn said. "And this template, or blueprint, is so detailed, that it not only reveals the events of our day, but the people involved, the details involved and, in some cases, even the time when the events must take place, down to the year or even the exact day."

In fact, *The Paradigm* reveals a newly uncovered master blueprint and ancient template that foretells many events of modern history. *The Paradigm* also removes the veil behind the leaders, governments, events and scandals of modern times. Its disclosures are so detailed and its revelations so precise that it even speaks of events before they happen. The book will undoubtedly anger some, but will amaze and stun many

others with its discoveries.
