

Does the New World Order Secretly Control Your Life?

Does a shadow government made up of a few elite individuals control the world? Zach Drew and Andrew Bellers investigate the claims on the most recent episode of *Revelation in the News*—and arrive at surprising conclusions.

“I used to label this ‘conspiracy’ for years and years and years because I didn’t think it was ever backed up by fact, and it was just by a bunch of crazy people,” Drew explains. “But by a lot of people that I’ve been coming in contact with the last few weeks that are truly what you would refer to as the elite of the world but on the good side, I’ve really been changing the ways I view things.”
